Hello,

Thank you for contacting The Fishin' Pig for your catering event! We offer a wide variety of menu selections and levels of service to accommodate almost any budget.

Our most popular catered items are our Grady's pulled pork and chicken BBQ, which is seasoned and smoked in-house. We charge \$14.95 per pound of BBQ, which includes the meat, our homemade coleslaw, signature sauces, and four potato buns. One pound should average four servings, making each sandwich around \$3.75. Most of our sides are around \$2.25 per person.

We can provide menu items to be picked up from the restaurant hot or cold, depending on your needs. Hot items are double wrapped in disposable aluminum pans, and should stay hot for at least 45 minutes after pick-up. If needed, we also offer beverages such as sweet tea, lemonade, and bottled water, along with serving utensils, paper products, cups, and ice for a minimal fee. Additionally, we offer disposable wire chafing sets for \$10 each; this includes the wire stand, two sternos, a water pan, and serving utensils. For a small fee, depending on the mileage, we are happy to deliver. If you select our Drop & Go option, we'll bring everything to you and help set up.

We specialize in full-service catering, which includes everything from a serving staff to catering equipment and a variety of china or paper products to choose from. We can also provide rental and set-up of tents, tables, chairs, and linen. Additionally, we offer assistance with bar service and alcohol selections.

If you are inquiring about an event please see the attached form and provide us with as much information as possible so that we can best meet your needs. Our catering packet can be very useful as a guideline for services and menu selections, but we are also happy to meet with you and create a custom menu to suit your needs. Thank you for contacting The Fishin' Pig Catering! We look forward to working with you.

THE FISHIN' PIG

OUR STORY

Here at The Fishin' Pig, we have the finest from land and sea: savory, smoked meats and flavorful, fresh seafood! Founded by Matt Hurley, Nash Osborn, Shorty Osborn, and Jim Osborn, The Fishin' Pig is a southern culinary combination that will delight all the senses!

It all started in Memphis, TN, the BBQ Capital of the World, where Matt Hurley was honing his skills at contests and cook-offs. He then made the move to Virginia, opening Mulligan's Sport's Grille in Farmville. Missing the smell of a smoker, Matt founded Grady's BBQ, named after his dad, in 2006. While he was bringing his Memphis-style expertise to the small town of Farmville, Shorty's passion for catchin' and eatin' fish led to the creation of Shorty's Famous Seafood & Chicken Breeding and the popular phrase "Catch n' Release in the Grease". As luck would have it, Nash and Jim joined the Mulligan's family as bartenders, introducing the Fish to the Pig. The relationship went swimmingly and in October 2012 they decided to go whole hog and combine the two companies to make The Fishin' Pig.

GRADY'S BBQ HISTORY

Named in honor of the owner's father who grew up in Memphis, Tennessee - where they know a thing or two about BBQ - Grady's opened its doors at the Historic Hotel Weyanoke in Farmville, Virginia, in 2006. However, our roots go back much further. We have over 30 years' experience in the industry and opened our first restaurant in 1991 in Richmond, Virginia, with several partners. Our success continued with the opening of five more restaurants. We have participated in the Memphis "Superbowl of Swine," known as the International BBQ Festival. Now we cater throughout the great Commonwealth of Virginia, everywhere from the beach to the mountains, overlooking a sprawling vineyard, or even in your own back yard!
